

Don't lose your child care benefits. Let's learn the new standards together.

Ohio has **increased the required work hours** to qualify for full time and part time PFCC vouchers.

Qualifying **work hours** include **transportation** to and from work, **unpaid lunch**, and for select jobs, **sleep** before, during or after shift*.

Changes go into effect November 2025.

Call Action for Children to learn more about benefits in your county.

* Must align with Ohio Administrative Code:

- (1) Travel time, not to exceed four hours round trip, shall be allowed.
- (2) Sleep time shall be allowed on a case by case basis, not to exceed eight hours, for a caretaker who participates in an activity where at least four hours occur between midnight and six a.m.
- (3) Child care may exceed twenty-four consecutive hours when the caretaker's hours of employment, training or education indicate such a need. Child care shall not exceed forty-eight consecutive hours.
